EDITOR

I'm a London-based editor with over 6 years work experience seeking my next project. I'm very comfortable working in any spoken language and I have a proven track record in editing a diverse array of productions, ranging from commercial clips to festival-selected short films and documentaries.

SKILLS

- Proficient in **AVID Media Composer**, **ADOBE Premiere Pro** and **FCP X**
- Experienced in taking projects from rushes to completion, including ingesting, transcoding, syncing rushes, organising bins, creating subtitles, and exporting for sound design, colour grading or VFX.
